GRADUATE CLASS DAY

MAY 12, 2024

COLUMBIA UNIVERSITY IN THE CITY OF NEW YORK

COLUMBIA ENGINEERING

The Fu Foundation School of Engineering and Applied Science

Our Engineering for Humanity vision guides our students as they question, explore, and solve the deepest questions impacting our society. In an ever-changing world, we know that our focus on technical depth, complemented by the liberal arts, will help lead us to human-centered solutions for the benefit of all.

—Shih-Fu Chang, Dean of Columbia Engineering

ADDITIONAL AWARDS AND PRIZES

Alexander Ranschaert

Edwin Howard Armstrong Memorial Award

Awarded by the Faculty of Electrical Engineering to one outstanding graduating senior or one outstanding candidate for the MS degree to honor the late Edwin Howard Armstrong, professor of Electrical Engineering and inventor of wideband FM broadcasting, the regenerative circuit, and other basic circuits of communications and electronics.

Raphael Barthes, Fiona Chen, Jing Du, Luoqing Fan, Jenna Iorio, Lingyun Li, Riccardo Risi, Laura Schlosser, Rira Shimizu, Yiqi Sun, Jiayi Zhan, Ruotao Zhang, Yifan Zhang, Manshu Zhao, Jiachen Zheng

Business Analytics Graduate Fellowship

This is funded by the IEOR Department and the Decision Risk and Marketing Divisions of Columbia Business School. Recipients have demonstrated academic excellence and professional promise in the field.

Ajay Vanamali

Columbia Engineering Alumni Association Distinguished Student Leadership Award

Established in memory of Charles Kandel, Class of 1911, this award is presented annually by the Columbia Engineering Alumni Association Board of Managers to one graduating undergraduate senior and one graduating M.S. / Ph.D. candidate who has promoted the School's best interests, participated in co-curricular and student-alumni affairs, and demonstrated a deep respect for and commitment to the traditions of Engineering alumni.

Haonan Chen, Barry Eich, Tristan Jowett, Yixuan Li, Yi Liu, Aliasgar Nalawala, Vasyl Ostapenko, Guangyu Shan, Hsin Yu Wang, Xinhui Zhu

Columbia Financial Engineering Graduate Fellowship

A gift from the IEOR Department, the fellowship is designated to support students in the MS in Financial Engineering Program who have demonstrated academic excellence and professional promise.

Zhanpeng He, Ronald Maio, Daniel Mitropolsky, Sky Wang, Jingxi Xu

Computer Science Service Award

This award is given to PhD students who demonstrate superior contributions to the community life of the Department of Computer Science.

Jain Eklavya

Patricia J. Culligan Award for Academic Achievement

This award is issued to M.S. in Data Science students with the highest academic achievement.

Sushant Prabhu

DSI Community Catalyst Award

This award is presented to outstanding M.S. in Data Science students who have demonstrated exceptional leadership, making a significant academic or social impact within their graduating cohort.

Stuart Daudlin and Brian Frost

Electrical Engineering Collaborative Research Award

This award is presented to PhD candidates who make a superb contribution to a collaborative research effort.

Kevin Kam and Thomas Koch

Electrical Engineering Distinguished Teaching Award

Awarded to graduate students and postdoctoral research scientists who demonstrate excellent performance in teaching.

Alexis Abdelnour, Tiphaine Briot, Danlong Gao, Yasemin Ozturk, Yilin Pan, Venkat Subraman Ramakrishnen, Felipe Requejo, Hao Shen, Jaeseop Shin, Weibo Xu

Frydman Graduate Fellowship

Established in 2000, a generous gift of a SEAS alumnus, Michael Frydman. The fellowship is designed to support academically gifted graduate students in the Department of Industrial Engineering and Operations Research, particularly in the Management Science Program.

Daniel Mitropolsky

Davide Giri Memorial Prize

This award is given to a graduate student (PhD) in Computer Science who has combined excellence in research results with continued outstanding efforts to promote research collaboration.

Haoxiang Chen, Constanza Cosi, Loris Domeneghetti, Divyam Kaushik, Tao Lin, Xinyue Shen, Jiayi Wang, Ruijia Wang, Yulu Wang, Qinchun Zhang

Graduate Fellowship in Industrial Engineering and Operations Research

This is a gift from the IEOR Department.

Vinay Raghavan

Graduate Service Award

Awarded by the Faculty of Electrical Engineering to an Electrical Engineering graduate student who has made significant contributions to the Department and community at large.

Weichen Li

Jonathan L. Gross Award for Academic Excellence

This award was established in 2017 in honor of the much-loved Professor Emeritus Jonathan Gross. This award is given each year to one graduating master's student and to one graduating senior from each of the four undergraduate schools served by the Department of Computer Science.

Divya Bhansali and Rosa Vincent

Yuen-huo Hung and Chao-chin Huang Award in Biomedical Engineering

Given to a graduate doctoral student who has demonstrated potential for making significant contributions to the fields of biomedical engineering and public health, and for serving as an ambassador of biomedical engineering.

Matthew Hoyin Jahnes and Nanyu Zeng

Eli Jury Award

Established in 1991, this award is presented to a graduate student or recent graduate for outstanding achievement in the areas of systems, communications, signal processing, or circuits.

Daniel Mitropolsky

Andrew P. Kosoresow Memorial Award for Excellence in Teaching and Service

Awarded for outstanding contributions to teaching in the Department of Computer Science and exemplary service to the department and its mission.

Yuning Zheng

Dongju Lee '03 Memorial Award

Established in 2005 by family and friends in memory of Dongju Lee (DJ), a graduate student in the Department of Civil Engineering and Engineering Mechanics, 1999–2003.

This award is given annually by the department to one or more doctoral students specializing in geotechnical/geoenvironmental engineering and of outstanding promise of a scholarly career in research and academia.

Abdullah Alhadlaq, Abdul Latif Bamba, Ajinkeya Chitrey, Alban Dietrich, Yukun Huang, Xilin Jiang, Madeleine Kearns, Rohit Nanda Kumar, Kijung Lee, Dane Malangone, Patrick Munar, James Venditto, Cynthia Wu, Yichen Xu, Zixuan Yan

Master of Science Award of Excellence

Awarded annually by the Faculty of Electrical Engineering to fewer than 5% of the candidates for the MS degree to recognize outstanding achievement.

Danyang Cheng and Oliver William MacGregor

MS Research Award

Awarded by the Faculty of Electrical Engineering to outstanding graduating MS students who have demonstrated passion and accomplishment in research.

Roland Maio

Paul Charles Michelman Memorial Award for Exemplary Departmental Service

This award is given in memory of Dr. Paul Michelman, 1993, who devoted himself to improving the Computer Science Department through service while excelling as a researcher.

Azimaiti Azati, Siddharth Brahmabhatt, Jonathan Chang, Yuhuang Chen, Guillaume Chilla, Thibault Dumazy, Wanjuan Fu, Hongjie Gao, Yifei Gao, Hengzhi Zhang

Benjamin Miller Memorial Fellowship

Established in 1998, through a gift of Mrs. Ruth Miller in honor of Benjamin Miller, to support a graduate scholarship in the School of Engineering for the Department of Industrial Engineering and Operations Research.

Bahador Bahmani and Ilias Mavromatis

Mindlin Scholar in Civil Engineering and Engineering Mechanics

This award is presented to graduate students in the Department of Civil Engineering and Engineering Mechanics in recognition of outstanding promise of a creative career in research and/or practice. This award is made possible by gifts of friends, colleagues, and former students of Professor Raymond D. Mindlin, and, above all, by the Mindlin family.

It is intended to honor the Mindlin brothers, Raymond, Eugene, and Rowland, who excelled in their respective scientific fields of engineering research, engineering practice, and medical practice.

Vanessa Li and Michael Pressler

Outstanding Achievement Award

Given to a Master of Science (MS) student in biomedical engineering who best exhibits academic excellence, visionary leadership, and outstanding promise for the future of innovation and engineering in medicine.

Alex Chung

The Outstanding Course Assistant Award in Industrial Engineering and Operations Research

In recognition of significant contributions to the IEOR Department, this award goes to a course assistant who has made a significant difference by providing exemplary support to both faculty members and students. Students are awarded a commemorative prize and a personalized crystal award.

Emma Babashak, Ritwika Chattopadhyay, Guido De Filippo, Margarita Demkina, Ziyuan Fang, Nossaba Kheiri, Isaure Pilot, Cherishma Potluri, Titouan Sire, Jiahe Tian, Baoyi Zou

Outstanding Student Service Award in Industrial Engineering and Operations Research

In recognition of significant contributions to the IEOR Department, this award goes to students who have represented our department with grace and intelligence through their work as ambassadors, board members of professional student organizations, or course assistants.

Aapeli Vuorinen

Outstanding Teaching Assistant Award in Industrial Engineering and Operations Research

In recognition of significant contributions to the IEOR Department, this award goes to students who have demonstrated outstanding pedagogical practices and dedication to student learning as a teaching assistant.

Yatharth Bansal and Madeleine Kearns

The Professional Development and Leadership (PDL) Graduate Student Award

This award is given to students whose participation and involvement in Professional Development and Leadership (PDL) at Columbia Engineering has gone above and beyond expectations. The recipients have demonstrated an exceptional level of professionalism, leadership, teamwork, integrity, and commitment to become engineering leaders.

2024

RECOGNITION

Palash Badjatya

Professor Rene B. Testa Award

This prize is given to graduate students and to undergraduate students who have achieved excellence in their academic program and have actively participated in the research and testing mission of Carleton Laboratory.

The University has arranged for a professional photographer to capture an image of each student as they cross the stage.

The University Registrar will mail each graduate's diploma to the address on file indicated by the student.

Disability seating will be available on the northeast corner of South Lawn and on Hamilton Lawn.
